Room Air conditioning
Commercial Air conditioning

About Us

HRC ACS (Aircare Services) is a professionally managed division undertaking turn key projects in the field of air-conditioning and other HVAC works and specialised in Room and Commercial Air-conditioning. Our dedication and commitment towards our work and never missed deadlines give us a unique and distinct place in the industry. Our friendly team is available to assist you with specific product, technical information, support and pricing. Our commitment to our clients reflects in the quality of the products we furnish and the professional attitude of our staff guarantees a growing sense of trust and customer satisfaction, meeting high standard in the market.

Our company has partnered as a “Sales and Service Dealer” with BLUE STAR, India's leading air conditioning and commercial refrigeration company.
